

MRS ABIGAIL SHARDEY AYEH

New Manager of AVTI Nov 2018

MY VISION FOR ATORKOR VOCATIONAL TRAINING INSTITUTE

To make Atorkor Vocational Training Institute the best Institute for quality TVET training in the Region, Ghana and beyond through Competency Base Training.

**SPEECH BY MRS ABIGAIL SHARDEY AYEH ON THE OCCASION OF THE
SENDOFF CEREMONY FOR MR. SETH STANLEY YEBOAH**

Mr. Chairman, Togbiwo, Mamawo, special guest of honour, ministers of God, IMC members, PTA executives and members, invited guest, staff, past trainees, trainees, ladies and gentlemen.

This is the day the Lord has made, and we must rejoice and be glad in it.

It is not everyone who starts work and work until retirement, for one to work until retirement, it is a blessing and I can boldly say Mr. Stanley Yeboah is blessed.

I have known Mr. Yeboah at a distance when we attended wider management meeting and I noticed he is a reserved person, someone who don't talk much but full of wisdom.

I appreciate what he has done in AVTI as a Manager and hope to continue with the good work he has started. As he embarks on his retirement, I wish him well in everything he finds to do, and may he live long to enjoy the fruits of his labour.

In continuing,

- I will appreciate if parents will help us discipline our trainees adequately since most trainees are not disciplined enough.
- I will appreciate if parents will support the running of the boarding system since the hostel system is not helping and trainees go out after six (6) PM with the excuse of going to buy food which does not help us controlling them, so management is planning on a boarding and a canteen system where trainees who cannot afford the boarding system will buy food at the canteen especially in the evenings.
- I will appreciate if parents will pay the fees of their wards fully and on time since the school solely depends on the fees in running the Institute.
- I will also appreciate if parents will support in every area whenever called upon since running of the Institute is a team work.
- I hope to work with all of you in a close partnership, so all parents are always welcome at every point in time for any suggestions.
- I hope you will all give me the needed support to lift the Institute higher from where Mr. Yeboah left it.

I wish you travelling mercies as you travel back and Merry Christmas in advance. It is my prayer that the coming year is going to be a good and better year for all of us and all that God has in store for us will be fulfilled in Jesus' name.

Thank you.

God richly bless you.

Happy New Year and all the best.

Thank you.

Wò agbenòò neḍe vi na amewo ne exò dzudzò le òwòwò me.

May days after retirement be prosperous to everyone.
